

MCES Holy Week Service Project April 15-18, 2019

Throughout Holy Week, we will be collecting change to support Catholic Relief Services “Ark of Hope.”

“Catholic Relief Services works with organizations around the world to help poor and vulnerable people overcome emergencies, build a sustainable future through agriculture and access vital health services. The CRS Ark of Hope program offers a meaningful way for your community to join us in this work. Learn about God’s love for all, and help CRS fight global poverty one animal at a time ... or two by two. Your CRS Ark of Hope will be a blessing to our poorest brothers and sisters overseas and will be a living sign of God’s presence.”

Check out the back of this sheet to see what Ark of Hope provides for the developing world.

Each class will compete with other classes on their campus to have the most change each day. The class with the most will win the daily Service Award.

Please consider having you children earn the change by living out the virtues we learn about at school during Holy Week. This is a great time to remember the meaning of Lent: Prayer, Fasting & Giving Alms.
