We will meet at 6pm in the St. Mary Parish Life Center (PLC) to talk trip details about Mackinac Island. Our trip leader Tom Byrum will be here and we will discuss in detail the itinerary for the trip, spending money and what meals are included in the price.

At 6:45pm we will wrap-up our Mackinac conversation and showcase your student's Washington D.C. 8th Grade Trip. Learn about how to stretch your D.C. payments out and registering early to save you money!
