

Required Childhood Immunizations for Michigan School Settings

School communicable disease rules are the minimum standard for preventing disease outbreaks in school settings. To best protect patients from all diseases we have the power to prevent, healthcare providers in Michigan should follow the 2014 Recommended Immunization Schedule at www.cdc.gov/vaccines or www.michigan.gov/immunize.

**All doses of vaccines must be given with appropriate spacing between doses and at appropriate ages to be considered valid. **
