LETTER TO PARENTS RE: ASBESTOS

Monroe Catholic Elementary Schools (St. John the Baptist, St. Mary and St. Michael the Archangel) has had asbestos management plans prepared for our school buildings. These plans are available for your inspection Monday through Friday during normal school hours at the School office.

In November and June, periodic surveillance/inspections were conducted at the school for the condition of asbestos. Accredited inspectors not only checked the condition of the asbestos, but reassessed operations and maintenance procedures that will keep this material in good condition.

Should you have any further questions, you may contact our Maintenance Department via the mainline 734-241-6335.

Our Mission: Monroe Catholic Elementary Schools is a Christ-centered, Catholic learning community committed to the academic excellence and spiritual development of every student.
