November 1, 2019

Dear Community Partner,

We are in the process of planning our 2020 Monroe Catholic Elementary Schools Auction Wild About MCES- that will take place on Saturday, March 21, 2020 at our St. Mary Middle School Campus. We expect 600 guests to be in attendance, where they will bid on many live & silent auction items, participate in games, and enjoy good food and conversation. This is our largest fundraiser of the year, helping us achieve our \$150,000 annual fundraising goal.

Generous donations from individuals like you have allowed MCES to partner with the families of our nearly 500 students, providing a high quality, Catholic education across our three campuses. We hope you will be a part of this great mission: helping ensure our students receive the skills for lifelong success and a strong, faith-filled, moral foundation. We would be very grateful for any donation you can provide!

How can you contribute?

You can purchase advertising in our auction program, donate an item, provide a service from your business, or make a cash gift. Of course, you can contribute in more ways than one! Successful auction items can be almost anything. Lunches or dinners; salon or spa trips; travel vouchers and vacation packages; professional services; collectibles; attraction passes; or art are just a few examples. Gift certificates make great additions to baskets and stand-alone items.

What do you get as a donor?

You will receive excellent advertising and community exposure, translating to great business! Your donation will be seen by hundreds of auction attendees who deeply appreciate your support. Each item is listed in our Auction Program and advertising at the event. Your donation is also tax deductible and you will receive a donation letter shortly after the auction event. Lastly, you get the thanks of hundreds of students at MCES, who experience our academic and extracurricular programs on a daily basis.

Enclosed is a donor form that can be returned with your donation and our tax ID is listed below. An auction committee member would be happy to pick up your item at your convenience, or you can simply mail it to the address above. To learn more about MCES, please visit www.mcesmonroe.com. Our Development Specialist, Michelle Leicht, can be contacted at 734-241-3377 or development@monroecatholicschools.com should you have any questions.

On behalf of the students, faculty, staff and larger MCES community, thank you for your prayerful consideration and support!

Sincerely,

Kyle Kubik
MCES Executive Principal
