

Hello Childcare parents:

Greetings. My name is Arian Sharon, and I am chairing the Auction Classroom donations for the Childcare classroom. This year, as part of our Live Annual Auction, I am organizing a 3 day, 2 night Traverse City wine weekend – Fight Whining with Wine! The lucky bidder will have the opportunity for two adults to stay at the lovely and luxurious Cambria Hotel Traverse City, bring along a gift basket of local wines, as well enjoy a lovely tour of local wineries, and quite possibly some other goodies that I am still in the process of coordinating.

In addition to the Live Auction offering Parents, please feel free to participate and donate items to our silent auction. If you have idea or an opportunity to improve our Live Auction item, I am more than happy to accept any item / donation you can offer to improve the success of our auction item, you can contact me at 773-218-0060.

Parents, please help us raise the money for our class auction items by donating any dollar amount you feel comfortable with. We are not requesting a specific amount, but rather asking each family to do what they can to help us achieve our goals. Donations are being accepted now through February 25, 2019.

The Live Auction is scheduled for March 16, 2019 and we would love to have you there. Make sure to mark your calendars, get your sitters, and come out to support MCES, your children, and our Catholic community!

Sincerely,

*Arian Sharon*

(AKA, Cady's mom)
