Dear MCES Families,

MCES is happy to announce the opening of applications for the 2021 Friends of MCES Scholarships.

These scholarships are made possible by the generosity of the Sunderland Family, parishioners at St. Michael Parish, and those who have graciously donated to establish this fund over the last 24 months. The Friends of MCES Scholarship Fund is managed by the Catholic Foundation of Michigan and the number of awards annually will vary due to fluctuations in the market. This year, the amount of each award will be \$500. Six (6) scholarships will be awarded to individual students.

The Friends of MCES Scholarship fund is designed to offer financial assistance to families who demonstrate financial need for the 2021-2022 school year. The application will be completed online and families are encouraged to be thorough in their explanation for financial need. Though not required, additional supporting documentation can provide a stronger case for need. Please consider emailing that information to me following completion of the online application.

A committee will review applications (no personal information will be shared) and recipients will be notified in June.

We are incredibly grateful to those who have helped ensure we can continue to support our students with the gift of Catholic education!

Please visit our website for the link to the online application. Applications for these scholarships are due May 31, 2021.

God Bless,

Kyle Kubik
MCES Executive Principal
