July 5, 2021

Dear MCES Families,

Over the last 13 months, MCES has been conducting a search for our new Assistant Principal that will assist in the administration of the three MCES Campuses. Earlier in June, we conducted interviews with members of our faculty & staff, MCES parents, our pastor delegate-Fr. David- and other stakeholders and we were blessed to have a candidate that embodies Catholic education, has extensive experience in Catholic schools and is standing ready to build relationships with students, families and faculty & staff.

We are happy to announce, Mrs. Frances (Frannie) Jagielski as our new Assistant Principal for Academic & Student Affairs. Mrs. Jagielski will work closely with Mr. Kubik to lead our unique, multi-campus model.

Below is Mrs. Jagielski's Biography:

Over 18 years ago, Frances Jagielski began her career as an educator working for public, online, and most currently, Catholic schools. Throughout her career, she has taught grades 4-12 in English Language Arts, General Education and Computer Technology. Her passion for learning and leading resides in Catholic education.

Mrs. Jagielski received her undergraduate degree from Bowling Green State University in Middle Childhood Education (grades 4-9) with certification in Integrated Language Arts and Reading and Integrated Social Studies, as well as a Reading Specialist endorsement. She holds a master's in education degree in Curriculum and Instruction with a focus in Curriculum Development in Instructional Technology from Lourdes University in Sylvania, OH. Currently, she is completing a second master's degree in Educational Leadership at Lourdes University. She has served in various capacities over her career: Middle School Dean of Instruction and Programming, Ohio Department of Education Resident Educator Program mentor, Virtual Support Educator, lead teacher and department head. Additionally, she has chaired numerous committees including academic council, student assistance teams, school improvement teams and professional development planning. Currently, Mrs. Jags, as she is affectionately known, is taking language courses on Zoom to become fluent in Haitian Creole as she serves as an advocate for Project House of Hope, an organization in Montrouis, Haiti.

As she administrates as the Assistant Principal, Mrs. Jagielski looks forward to serving and leading the MCES community to grow in God's love, inspiring them to become the best versions of themselves both academically and spiritually alongside Mr. Kubik.

Mrs. Jagielski has been married to her husband, Jeremy, for almost 19 years. They have three children: Aidan (16), Elliott (13) and Delaney (10). She and her family are parishioners of Most Blessed Sacrament Parish in West Toledo where they reside.

As Assistant Principal of Academic & Student Affairs, Mrs. Jagielski will be supporting our students, teachers and families throughout their school experience, spending time in classrooms, observing teachers, coaching our new teachers, and supporting the strategic goals we have set forth.

We are very grateful to have Mrs. Jagielski's expertise joining our MCES Leadership Team. She will begin working over the next few weeks and we look forward to introducing her to our school families in August. Her email address is jagielski@monroecatholicschools.com if you would like to send her a note of welcome.

We look forward to a great 2021-2022 school year.

God Bless,

Kyle Kubik
MCES Executive Principal
