Dear MCES Families,

Given the announcement from Governor Whitmer this week we do not plan on returning back to on campus learning until she has lifted the Stay Home Stay Safe Executive Order and it is deemed safe to do so.

Please know that the Catholic School educators across the Archdiocese of Detroit are prepared to continue instructing your children using the best practice methods that we have learned and are implementing.

Instead of returning to in-person instruction on April 6, 2020, MCES will continue online learning on April 6th, 7th and 8th. We will then have no distance learning on April 9th and 10th to observe Holy Thursday and Good Friday. We hope to have our last distance learning day on Monday, April 13, 2020 with the anticipation that classes will resume in person on Tuesday, April 14th.

Again, I can't thank you enough for your flexibility and spirit during these times. Visit <https://www.mcesmonroe.com/online-learning.html> for resources and links to assist you. Please know that you are all in my prayers.

Thank you for your partnership,

Mr. Kyle Kubik, MA E.L.
