

The Weekly Crusader

March 23- March 27, 2026

From Mr. DeSarbo, Principal

It is hard to believe that March is quickly coming to an end. Throughout this month, we have been fully immersed in the Lenten season, providing our students with meaningful opportunities to grow in their faith. Students continue to learn about the three pillars of Lent: prayer, fasting, and almsgiving. Through prayer, we strengthen our relationship with God; through fasting, we practice self-discipline and sacrifice; and through almsgiving, we are called to serve others with generosity and compassion. In addition, our students have participated in Stations of the Cross, prayer services, and the sacrament of reconciliation, all of which have helped deepen their understanding of this sacred season.

March has also been a special time as we celebrate **March Is Reading Month**. We are incredibly grateful to the many community members who have supported our students by taking time out of their busy schedules to come in and read with them. Their presence and generosity have reinforced the importance of literacy and helped foster a genuine love of reading in our students.

Thank you to all who have supported our school community in so many meaningful ways

From Mr. K, Dean of Students

With the start of this final quarter comes warmer weather, new school activities, and of course, the growing excitement for summer. As always, our focus on academic standards and expectations will remain strong through the end of the year. We encourage all students to stay committed and finish the year on a positive note.

Baseball and softball seasons are beginning, and we are excited to support our student-athletes. I would like to wish all players and coaches a successful and enjoyable season!

Grade checks for spring sports will begin Monday, April 27th

Thank you for your continued support as we head into the final stretch of the school year.
