

Welcome to English 8! My name is Mrs. Amber Scudder and I am the 7th and 8th grade English teacher. This will be my 9th year teaching at MCES. In addition to teaching the 7th and 8th grade English classes, I also teach Public Speaking and Creative Writing.

It is my goal to ensure that each student is challenged academically and grows spiritually. I am dedicated to reaching the maximum potential of each student.

I am thankful to be a part of the MCES community and look forward to working with the students.

God Bless,

Mrs. Amber Scudder
