Dear Young 5s-2nd Grade Families,

We know that the temporary pause on in-person learning creates challenges for your family and we, as the MCES Teachers and Staff, will do our best to make this as easy a transition as possible. We have met as a group and reviewed the Archdiocese of Detroit expectations for virtual learning.

Our primary means of communication with you during this time will be a combination of our Google Classroom & MCES Emails and physical packets available in a box outside the schools. We ask that you pick up the packet on Mondays. If there is no packet, we will make you aware through our class announcements. The first packets will be available on Monday, November 23rd, unless your teacher has stated otherwise.

If your child still needs to borrow technology, please fill out [this form](#). These can be picked up on Friday, November 20th between 7:30am and 3:15pm.

Technology is vital, as we will be utilizing the Google Suite for our communications, synchronous interactions, and asynchronous delivery of materials.

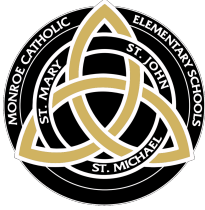

We will readily communicate with our classes regarding expectations and schedules. Please expect the following:

- Weekly information about lesson plans and learning expectations.
- A daily, class morning meeting (approximately 30 minutes) on Google Meets, including religious instruction.
- Recorded videos of instructional material for Math, Literacy, Science, & Social Studies.
- Small Group Google Meets for Math & Literacy (schedules will be published per teacher).

For those students that work with Mrs. Yaeger, she will be reaching out to provide intervention services.

Also, the following will be provided for all MCES students:

- Daily Morning Assembly on Facebook ([click here](#)).
- Weekly School Mass offered on Facebook Live ([click here](#)).
